

Stn_car

Some people worry that **car** share might undermine public transportation, taxis, walking, or biking, but the opposite is true. [0] It was a **car** that promised comfort; indeed, luxury. [1] Runge proved that he could identify the presence of henbane, belladonna and thorn apple in one of a number of bottles, by dropping the suspect solutions into a cat's eye. [2] And finally a theater for two hundred and forty spectators. [3]
