The mall is anchored by a supermarket where all of the exotic luxuries of home—cheese, bread, and breakfast cereal—can be had at a shocking markup. [0] In fact, the first supermarket pre dated widespread car ownership and originated in an urban area. [1] Many cities around the world have city bike and city car systems, allowing visitors or residents to use a vehicle for a short period of time. [2] The park embodies contemporary China at its tawdriest. [3]
