

# I r\_skyscraper

In this way the district round the skyscraper is cleared. [0] A new fleet of 18,000 apple green cabs Boro Taxis will be able to pick up passengers outside Manhattan. [1] Perhaps the gloss of a beckoning fruit obliterates and outshines any blemishes that, the apple once eaten into and its core now perching exposed on the sideboard, conspire to make it look rotten, or if not rotten then at the very least spotted with flaws. [2] The skyscraper has reestablished the pedestrian, him alone.... [3]
