

HERE IS THE TITLE

Runge proved that he could identify the presence of henbane, belladonna and thorn apple in one of a number of bottles, by dropping the suspect solutions into a cat's eye. [0] So I snatched it from him, and he wept and said, "O youth, this apple is my mother's and she is ill. [1] Perhaps the gloss of a beckoning fruit obliterates and outshines any blemishes that, the apple once eaten into and its core now perching exposed on the sideboard, conspire to make it look rotten, or if not rotten then at the very least spotted with flaws. [2] A new fleet of 18,000 apple green cabs Boro Taxis will be able to pick up passengers outside Manhattan. [3]
