

# "h \_skyscraper

"In the age of speed, the skyscraper has petrified the city. [0] The skyscraper has reestablished the pedestrian, him alone.... [1] So I snatched it from him, and he wept and said, "O youth, this apple is my mother's and she is ill. [2] A new fleet of 18,000 apple green cabs Boro Taxis will be able to pick up passengers outside Manhattan. [3]
